Project Recipe:

1. Start with an In Color card base (Magenta Madness cs, Just Jade cs, or Misty Moonlight cs). Cut a Whisper White cs panel, dry emboss it with the Winter Snow embossing folder, and glue it to the card front. Cut an In Color (Magenta Madness, Just Jade, & Misty Moonlight) DSP panel and glue it to the center of the card front.
2. Cut the Whisper White cs image panel. Stamp the snowman image from the Snowman Season stamp set in Memento Black ink in the top center of the panel. Color the image with Stampin' Blends, add Wink of Stella to the snowman & snow, and then add Shimmery Crystal Effects to the snow flakes and ground snow (make sure that the Shimmery Crystal Effects completely dries).
3. When the Crystal Effects is dry - wrap the image panel with matching In Color Ribbon across the bottom using Stampin' Seal to secure the ends to the back of the panel. Use Stampin' Dimensionals to add the image panel to the card front.
4. Cut a Whisper White cs sentiment panel and stamp the sentiment from the Snowman Season stamp set in Memento Black ink. Snip the sentiment in half between the words and then use Stampin' Dimensionals and glue to add the sentiment pieces to the center top & bottom of the image panel. Tie a small matching In Color bow and add

it to the bottom of the image panel on the left side of the sentiment panel with glue dots. Add a star from the All The Trimmings embellishment pack to top of the tree.

5. Don't forget to add a Whisper White cs inside panel to write your message. Stamp the sentiment from the Snowman Season stamp set in Memento Black ink, stamp the snowflakes in matching In Color ink, and add a strip of DSP to the inside and back of the card to pull the theme through.
