Project Recipe:

1. Start with a Pool Party cardstock card base with the fun fold score lines. Cut a Pool Party cardstock panel and dry emboss it with the Whimsical Woodland 3D embossing folder, then cut it in half to create two panels. Glue the embossed panels onto the front panels of the card base. Die cut a Petal Pink cardstock scalloped rectangle with the Scalloped Contours Dies. Stamp the snowflake from the Yeti To Party stamp set in Pool Party ink on the Petal Pink cardstock scalloped rectangle. Add Wink of Stella to the snowflakes for sparkle.
2. Stamp a yeti from the Yeti To Party stamp set in Pool Party ink on Thick Basic White cardstock. Die cut out the yeti with the Yeti dies. Color the die cut yeti with Stampin' Blends. Use Stampin' Dimensionals to add the colored yeti to the stamped Petal Pink cardstock scalloped rectangle. Die cut out a Pool Party cardstock scarf with the Yeti dies and then glue it across the yeti.
3. Cut a Thick Basic White cardstock sentiment panel and stamp the sentiment from the Yeti To Party stamp set in Pool Party ink. Die cut a small Pool Party cardstock scalloped rectangle with the Scalloped Contours dies. Use Stampin' Dimensionals to add the sentiment to the Pool Party cardstock scalloped rectangle and then glue them to the top of the Petal Pink cardstock scalloped rectangle at a slight angle above the yeti. Use Stampin' Dimensionals (on the left side only) to attach the built Petal Pink cardstock scalloped rectangle to the left embossed panel of the card front. Add Adhesive-Backed Stars to the card front.
4. Add a Thick Basic White cardstock inside panel to write your message. Stamp the sentiment and snowflakes from the Yeti To Party stamp set in Pool Party ink and add an embossed Petal Pink cardstock strip to the inside and back of the card to pull the theme through.
