Project Recipe:

1. Start with a Sweet Sorbet cardstock tag die cut with the Tailor Made Tags dies. Die cut two Thick Basic White hole strengtheners with the Tailor Made Tags dies. Stamp the sentiment from the Yeti To Party stamp set in Soft Suede ink at the top of the tag but below the hole (make sure that there is room to add the strengthener - I had to trim mine down to fit). Glue the hole strengtheners to both sides of the tag. Stamp the gifts from the Yeti To Party stamp set in Soft Suede ink on the tag.

2. Stamp the yeti from the Yeti To Party stamp set in Soft Suede ink on Thick Basic White cardstock. Die cut out the yeti and die cut the arm hole with the Yeti dies. Color the yeti with Stampin' Blends. Stamp the large gift on Thick Basic White cardstock in Soft Suede ink and die cut it out with the Yeti dies. Color the gift with Stampin' Blends. Add Wink of Stella to the die cut yeti and gift for sparkle. Use Stampin' Dimensionals to add the yeti to the right side of the tag. Use a Stampin' Dimensional to tuck the die cut gift through the slit above the yeti's arm. Add Champagne rhinestones to the die cut gift and to the stamped gifts on the tag. Thread & loop Metallic Mesh ribbon through the whole at the top of the tag. Tie a Linen Thread bow around the Metallic Mesh ribbon.
