Project Recipe:

1. Start with a Calypso Coral cardstock card base. Cut a Butterfly Kisses Designer Series Paper panel and glue it to the card base.

2. Die cut a Basic White cardstock stitched circle with the Stylish Shapes dies. Stamp the sentiment from the Best Day stamp set in Starry Sky ink on the stitched circle. Use Stampin' Dimensionals to add it to the card front. Fussy cut out Butterfly Kisses Designer Series Paper flowers and use glue dots to add them to the stitched circle. Add a Brushed Brass Butterfly to the fussy cut flowers.

3. Add a Basic White cardstock inside panel to write your message. Add a strip of Designer Series Paper down the inside and across the back of the card to pull the theme through. Stamp the sentiment from the Best Day stamp set in Starry Sky ink.
