Project Recipe:

1. Start with a Petunia Pop cardstock card base. Cut a Petunia Pop 2024-2026 In Color Glimmer Specialty Paper panel, a Basic White cardstock panel, and a Petunia Pop 2024-2026 In Color Designer Series Paper panel. Glue the panels together so that they're right edges are even and then glue them to the card base so that they are even with the right edge of the card base.

2. Cut a Basic White cardstock sentiment panel and a Petunia Pop 2024-2026 In Color Glimmer Specialty paper sentiment layer. Stamp the sentiment from the Simply Said stamp set in Petunia Pop ink on the Basic White cardstock sentiment panel. Use glue dots to add the stamped Basic White cardstock sentiment panel to the bottom edge of the Glimmer Specialty paper panel slightly off set. Then use Stampin' Dimensionals to add the sentiment panels to the card front with the Basic White cardstock panel even with the left side edge. Add 2024-2026 In Color Shimmer Gems to the card front for extra sparkle.

3. Add a Basic White cardstock inside panel to write your message. Stamp the sentiment from the Simply Said stamp set in Petunia Pop ink & add a strip of Designer Series Paper to the inside and back of the card to pull the theme through.
